If the Customer fails or omits to do this, the Company shall have no liability to the Customer.

- 6.2 Payment for the disposal of Waste shall be in advance of depositing same (which may be at the point of arrival of the relevant Vehicle at the Site) save only where the Company has agreed with the Customer in writing that payment shall be on credit terms. Unless such terms, agreed as aforesaid, state differently, payment shall be made within 30 days of the date of the Company's invoice.
- 6.3 Any payment made by the Customer in respect of the disposal of Waste shall be deemed conclusive proof of the Company's entitlement to payment in full for the relevant invoice, and this shall be treated by the Customer as an admission accordingly.
- 6.4 Time for payment by the Customer shall be of the essence of the Contract.
- 6.5 The Company shall be entitled to charge the Customer interest on all amounts that remain unpaid beyond the due date at the rate (and including costs) prescribed by the Late Payment of Commercial Debts (Interest) Act 1998.
- 6.6 If there is any evidence that the Customer is insolvent, then without prejudice to any other rights or remedies of the Company, the Company shall be entitled to:
- 6.6.1 terminate the Contract and/or suspend any further access by the Customer to the Site;
- 6.6.2 charge the Customer interest (both before and after judgment) on the amount unpaid at the rate (and including costs) prescribed by the Late Payment of Commercial Debts (Interest) Act 1998.

8. Default

8.1 If the Customer:

8.1.3 persistently breaches the terms of the Contract;

8.1.4 provides incomplete, materially inaccurate or misleading facts and/or information in connection with the Contract (including without limitation the contents of any Waste deposited or to be deposited at the Site);

8.1.5 ceases or threatens to cease to carry on business or proposes to compound with its creditors, applies for an interim moratorium in respect of claims and/or proceedings or, being an individual, has a bankruptcy petition presented against him, or, being a company, has a winding up order made against it, has a receiver, administrator or administrative receiver appointed over all or any of its assets, has an attachment order made against it, or any distress, execution or other legal process is levied on any of its property;

8.1.6 appears reasonably to the Company to be about to suffer any of the above events,

then the Company shall have the right without prejudice to any other remedies to exercise any or all of the rights set out in Clause 8.2 below.

8.2 If any of the events set out in Clauses 8.1 inclusive occur in relation to the Customer, then (and without the need to give notice to the Customer):

8.2.1 the Company may withhold further performance of the Contract; and

8.2.2 the Company may suspend the Contract without liability to the Customer, provided that the Company at its absolute discretion may lift such suspension

whereupon the Contract will continue in accordance with its terms but subject to such modifications thereto as the Company may reasonably require in order to prevent any further cause for suspension or termination of the Contract;

8.2.3 the Company may cancel or terminate the Contract and/or any other contract with the Customer without liability to the Customer.

9. Effects of termination or suspension

9.1 All monies owed by the Customer to the Company shall immediately become due and payable.

9.2 All Permits issued to the Customer shall be revoked with immediate effect and must be surrendered to an authorised person of the Company upon request. The Customer shall no longer be allowed access to the Site on the terms set out in the Contract save that the Customer may at the Company's absolute discretion be permitted to dispose of Waste at the Site in accordance with the conditions applicable from time to time to the occasional disposal of Waste (and set out in summary form in the conditions of waste acceptance) and subject to payment in advance prior to entry to the Site being allowed.

10. General

10.1 If any term or provision in these conditions shall be held to be illegal or unenforceable in whole or in part under any enactment or rule of law, such term or provision or part shall to that extent be deemed not to form part of these conditions, but the validity and enforceability of the remainder of these conditions shall not be affected.

10.2 The waiver by or failure of the Company to perform or require the performance of any of these conditions shall not be construed as a waiver of the Company's rights to future performance of such conditions, and the Customer's obligations in respect of future performance shall continue in full force and effect.

10.3 The Contract shall be governed by the laws of England and Wales, and the parties hereby irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.
