WAYS WE CAN HELP

As one of the **leading suppliers of construction aggregates and waste collection services**, AMS can provide any of the following services to you and your business.

- Skip and ro-ro hire
- Grab and tipper truck hire
- AMS bag services
- Muckaway
- Aggregates, sands and soil
- Concrete collections
- Mix on site concrete
- Ready mixed concrete
- Event waste management
- Wheelie bin services

AGGREGATES, SANDS AND SOIL

As suppliers of **superior recycled aggregates** and large stockists of **primary construction materials** we can offer you the widest selection at the best prices.

WE CAN DELIVER LOOSE OR BAGGED MATERIALS TO YOU. OR IF IT'S EASIER, YOU CAN COLLECT ON SITE, JUST ASK!

10MM MANUFACTURED SOIL

A good bulk uncertificated topsoil using a blend of manufactured soils from the Dorset area screened to 10mm.

ECO SUPER SOIL

10mm or 20mm screened soil with added compost of the same size, tested in accordance with BS3882.

WESSEX SOIL

Nutrient-rich 10mm soil with added compost to aid growth and moisture retention. Tested in accordance with BS3882.

TYPE 1 RECYCLED

Alternative to type 1 limestone product, which is often used in road and path construction.

WASHED SHINGLE

Uses include; drainage, pipe bedding and general landscaping.

SHARP SAND/GRIT

Producing concrete, block paving and garden aeration.

ALL IN BALLAST

Mix with cement to produce a concrete for foundations, hard standings and bases.

40MM SCALPING

Ideal for pathways, driveways, compounds, hardstanding and general fill etc.

6F5 CRUSHED CONCRETE

Commonly used for capping layers, trench fills, temporary roads and oversite fill.

BUILDING SAND

Multi purpose sand ideal for making, mortar, pointing and brick laying.

RECYCLED TARMAC

Used in various applications, such as; surfacing paths, driveways, yards and road sub-bases.

MEDIUM WASHED SAND

General use sand for pipe bedding, cable laying, cattle bedding, horse ménages and general fill.

TYPE 1 LIMESTONE

Perfect sub-base for highways, car parks, footpaths, driveways, hardstandings, patios and building bases.

TOP 3 REASONS TO CHOOSE AMS

1. Available in bulk bags or loose loads.
2. Great prices because we manufacture most of the aggregates ourselves.
3. Local same day deliveries available on grab or tipper trucks (STA).

READY MIXED & MIX ON SITE

CONCRETE

AMS Concrete provides high quality ready mixed and mixed on site concrete to businesses and individuals in Bournemouth, Poole and the surrounding areas.

Choose between having your concrete delivered directly to you or collecting it from our batching plant at Canford Recycling Centre near Wimborne.

We produce a variety of concrete mixes to suit your needs, these include; C8, C10, C15, C20, C25, C30, C45, RC35, PAV1, PAV2, C35 pump mix, and foam.

COLLECT CONCRETE FROM AS LITTLE AS 0.3M³, OR ARRANGE A DELIVERY FROM JUST 1M³.

3 REASONS TO TRUST AMS CONCRETE

1. Our ready mixed concrete is produced at our own state of the art batching plant by experienced staff.
2. Mix on site concrete is available for those who want a convenient delivery of the exact volume of concrete they require – **only pay for what you need.**
3. We operate multiple 8m³ drum mixers for ready mix concrete deliveries to your home, business or site.

IDEAL FOR SMALL PROJECTS

AMS BAG SERVICE

AMS Skip Bags are the ideal choice for use on smaller projects or where space is limited. These sturdy bags can hold approximately one tonne of waste or aggregates and are a great choice for tradesmen and DIY enthusiasts.

TYPES OF WASTE WE COLLECT IN SKIP BAGS

- Garden
- General waste
- Hardcore / concrete
- Inert spoil
- Plasterboard

AGGREGATES WE SUPPLY IN BULK BAGS

- All in ballast
- Building sand
- Medium washed sand
- Recycled tarmac
- Sharp washed sand (grit)
- 10mm Manufactured Soil
- Eco Super Soil
- Wessex Soil
- Type 1 limestone
- Type 1 recycled
- Washed shingle 10, 20 & 40mm
- 40mm scaplings
- 6F5 crushed concrete

WAYS TO ORDER

Collect from a local stockist or buy online.

For more information, please call 01202 579579 or visit avonmaterialsupplies.co.uk

3 REASONS TO TRUST AMS BAG SERVICES

1. Easy to place in gardens, driveways and on paths.
2. Empty skip bags are delivered packaged up, so are easy to store and transport prior to use.
3. Able to hold up to 1 tonne of waste or materials.

CHOICE OF TRUCK SIZES & TYPES

GRAB & TIPPER TRUCKS

Our modern vehicle fleet consists of various sized grab and tipper trucks. With **4, 6 and 8 wheel trucks available**, AMS can complete small to large material deliveries or waste collections.

We are a great choice for muckaway and site clearances because of our range of trucks, which includes **grabs that can reach up to 8 metres**.

TYPES OF WASTE WE COLLECT

- Cartaway/muckaway
- Clay
- Green waste and tree roots
- Hardcore
- Mixed recyclable inerts
- Non recyclable inerts
- Site waste

DON'T FORGET

Our tipper and grab trucks also deliver a full range of primary and recycled aggregates throughout Dorset and surrounding areas.

OPEN & ENCLOSED CONTAINERS

SKIP & RORO HIRE

The open and enclosed skips and roros we provide are available in a variety of sizes to suit your individual project needs. We take great care to ensure users of our skips and roros always receive a professional and efficient service.

CONTAINER SIZES OFFERED

- 4, 6, 8 and 12 yard skips
- 15, 20, 35 and 40 yard roros

TYPES OF WASTE WE CAN COLLECT

- Asbestos
- Commercial and industrial
- Construction and demolition
- Garden
- General waste
- Rubble, brick, stone etc.
- Plasterboard
- Wood

CHOICE OF COLLECTION FREQUENCIES & BIN SIZES

WHEELIE BIN SERVICES

AMS provide a reliable trade waste collection service using wheelie bins for businesses of all sizes across Dorset.

Key locations we serve include; Bournemouth, Christchurch, Ferndown, Poole, Ringwood and Wimborne.

OTHER CONTAINERS:

In addition to wheelie bins we are able to provide refuse sacks, skips and waste compactors.

BIN SIZES AVAILABLE:

- 1100L
- 660L
- 360L
- 240L

TRADE WASTE STREAMS WE MANAGE

- General 'black bag' waste
- Cardboard
- Food
- Mixed glass
- Recyclables

AFFORDABLE, EASY & GREAT ACCESS

TIPPING SITES

Our close relationship with Commercial Recycling (Southern) Limited provides AMS clients with low-cost tipping solutions in Dorset and Somerset.

In addition, businesses who have a credit account with AMS are able to easily set up account facilities with Commercial Recycling (Southern) Limited.
