AMS (Avon Material Supplies) is a leading supplier to the construction industry in Southern England. The large and versatile vehicle fleet we operate allows AMS to provide both material deliveries and waste management solutions.

*“Available vehicles include various sized tipper & grab trucks, rollonoff (roro) lorries and a skip lorry”*

Our complete range of ‘Direct to Site’ materials include primary, secondary and recycled construction aggregates, building sands and landscaping products.

*“In conjunction with Commercial Recycling, AMS now supply over 100,000 tonnes of recycled aggregates per year.”*

**UK wide availability.** The in-house brokerage service, **AMS Nationwide** provides its clients with a ‘one call does it all’ service for sourcing and purchasing construction products and waste management solutions in the UK.
